## Harassment and Discrimination Policy

MOUNT HAMILTON YOUTH SOCCER CLUB (MHYSC) recognizes the dignity and worth of every member of the community and provides for equal rights and opportunities, free of discrimination and harassment, in the understanding that excellence can only be achieved when all members of the community are free to work, teach, and learn in an environment which does not exclude or discriminate against them. Accordingly, this Policy establishes that harassment and discrimination are never acceptable and will not be tolerated.

This Policy applies to:

- registered players, coaches and referees;
- adult members in good standing;
- MHYSC employees; and,
- MHYSC Board of Directors.

Each member of the MHYSC community should be aware of, and shares the responsibility for, creating and maintaining an environment free from discrimination, as defined by the *Human Rights Code of Ontario*, which states that every person has a right to freedom from discrimination on the grounds of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, religion, sex, sexual orientation, handicap (physical or mental disability), age, marital status, family status, the receipt of public assistance, or record of offences.

Implicit in the duty not to harass or discriminate is a positive duty to accommodate. That duty includes a specific responsibility on the part of all identified above, to strive to create an environment free of harassment and discrimination in their areas of responsibility. Included within the ambit of that responsibility is an awareness of what constitutes harassment and discrimination based on human rights, knowledge of the procedure in place for dealing with allegations of harassment and discrimination, and cooperation in the processing of complaints made under this Policy. It also means that members will not condone or ignore activities within their areas of responsibility that violate the rights of any member of the MHYSC community, and that they will ensure that all those for whom they have responsibility are aware that any form of harassment or discrimination is prohibited and that any complaints will be addressed immediately and effectively.

The Ontario Human Rights Commission generally follows a Policy of not pursuing an investigation until internal remedies have been undertaken. However, notwithstanding that the club has procedures in place to protect the rights of all parties, this Policy does not preclude the right of any person to seek assistance from more appropriate external agencies, such as the police if assault is alleged to be involved, or the Human Rights Commission.
